## INDUSTRIAL COMPANY SENDS REPRESENTATIVES TO PARIS.

Messrs. J. C. Jackson and J. R. Evans, of Cincinnati, representing the Jackson Industrial Co., of Cincinnati, financial and production engineers of industrial manufacturing, were in the city last week, and held an extended conference with Mayor Janaway and members of the City Council, regarding a proposition for establishing commercial enterprises in this city.

The Jackson Company submitted a proposition looking toward the sale of stock for the purpose of erecting a suitable building at a suitable point in the city for an enterprising commercial organization who proposes to come to Paris and establish a business.

The expenses of the affair are proposed to be paid out of the proceeds of the sale of stock. The promoters of the enterprise will get their reimbursement from the manufacturing concern which locates here.

Messrs. Jackson and Evans were shown a number of desirable locations and returned to Cincinnati to submit their report. The proposition was accepted by the city, and it is probable that the next move will be a revival of the Paris Commercial Club, which has been allowed to languish for a long while.

## CHARGED WITH UNLAWFUL CONVERSION OF FUNDS.

On a warrant charging him with unlawful appropriation of funds, sworn out by E. F. Spears & Sons, of Paris, Lee Knox, of Paris, was arrested by Patrolman George W. Judy, and placed under \$1,000 bond to appear in Court yesterday for a hearing.

It was alleged by E. F. Spears & Sons that they had furnished young Knox with money and a railroad ticket to Saskatchewan, Canada, where he was to join the Bourbon colony working on their big wheat and flax ranches. It was further alleged that on his arrival at Cincinnati young Knox sold the railroad ticket and appropriated the proceeds to his personal use.

A settlement in Knox's case was effected yesterday out of Court, and the charge against him was dismissed.

## JEWISH RELIEF FUND GOES OVER THE TOP.

An oversubscription of \$150 was recorded Saturday night when the campaign for Bourbon county's quota of \$4,700 in the Jewish war sufferers' relief fund came to a close, the sum of \$4,850 being totalled.

The various committees worked faithfully to make the campaign a success, and success crowned their efforts, as evidenced by the final report of the finance committee. The response to the appeal of the solicitors was instant and generous, and cases of refusal were very rare.

### A CARD.

On behalf of the Jewish people of this community, we desire to extend to all citizens of Paris and Bourbon county our grateful thanks and appreciation for their kind and generous contributions to the Jewish Relief Fund, for the war sufferers of current.

We especially desire to thank the Bourbon County Council of Defense and its efficient chairman, Mr. A. B. Hancock, for their able aid and work in getting behind this drive and putting it over.

Our grateful appreciation is also due the volunteer workers and canvassers of the various districts in the city and county for their noble work in the behalf of Jewish humanity.

### Very gratefully,

IKE L. PRICE,  
WM. SHIRE,  
Committee.

## "TO BE OR NOT TO BE"—LIGHT OR NO LIGHT.

In an interview with Mr. J. J. Veatch, a member of the Light Committee of the Paris City Council, concerning the recent proposition submitted to the Council regarding the lighting of the streets of the city, he said:

"We have just received a letter from Messrs. Talbott & Whitley, attorneys for the Paris Gas & Electric Company, in which they stated very positively and definitely that unless an understanding was reached before next Saturday between the city and their clients the city would find the street lighting current cut off."

A Private Thos. Stacy, who enlisted in the army service before the United States entered the war, is at home in Paris on a furlough. This is his first visit home since he volunteered in the service over two years ago. He has been on the Texan-Mexican border line all the time, and will return there at the expiration of his furlough.

Private Thos. Stacy, who enlisted in the army service before the United States entered the war, is at home in Paris on a furlough. This is his first visit home since he volunteered in the service over two years ago. He has been on the Texan-Mexican border line all the time, and will return there at the expiration of his furlough.

Lucien Arnsperger, who arrived at Camp Sherman some time ago from France, where he had been as a member of the Ambulance Corps, arrived Saturday night from the camp, having been given an honorable discharge from the service. He is looking well and feeling fine, happy to get back again to the old home. He is a guest of his mother, Mrs. Ruby Arnsperger.

Sgt. Marion A. Douglass, who has been a guest of his parents, Mr. and Mrs. James S. Douglass, for several days, has returned from a visit to his brother, Mr. Wallace Douglass, at Middlesboro. He recently received an honorable discharge from the service, and will probably return to his former position at Middlesboro. Since his return from overseas duty some time ago Sgt. Douglass has been on special duty at Garden City, Long Island, New York, where he received his final discharge papers. He was sent to France as a motor mechanic, but did not get to see much active service.

The letter addressed to the Light Committee is as follows:

The letter from Talbott & Whitley, in regard to the controversy, covers the ground fully, and is reproduced below:

April 11, 1919.  
Messrs. T. J. Kiser, J. W. Merringer and J. J. Veatch, Members of the Light Committee of the City of Paris.

Paris, Ky.

Gentlemen: Your committee, as we understand the action taken by the Mayor and Board of Council, April 10, 1919, will consider our request for settlement with the Paris Gas & Electric Company for street lighting service rendered the city for the year ending April 1, 1919, and make recommendations for adjustment of all differences pending between the company and the city.

We briefly call attention to the following matters for your consideration with our request for an early settlement:

That on September 10, 1918, a conference was held between the representatives of the city and the representatives of the company for the purpose of working out, if possible, an amicable adjustment of differences.

That the representatives of the company, in compliance with their promise made at the conference of September 10, 1918, did on September 13, 1918, submit to Mayor E. B. January a proposition in writing for the express purpose of getting rid of all controversy.

That said proposition quoted rates which were too low, but as explained to the committee at the time, were quoted for the express purpose of adjusting all differences pending between the city and company (including threatened, as well as pending litigation.)

That the company has, as explained to us at the Council meeting on April 10, 1919, attempted to do everything possible to arrive at an amicable adjustment in order to avoid litigation or friction with the city, but that unless the city pays the balance due on account of street lighting and arranges for further service the company will be compelled to turn off the current from the city street lights.

That unless the balance of \$4,657.99 now due (April 1, 1919) the company for street lighting is paid on or before Saturday, April 19, 1919, and some proper arrangement is made on or before said date for further street lighting service the company will discontinue the street lighting service on and after said April 19, 1919.

Yours truly,

Company.

AUTHORITIES ON LOOKOUT FOR  
THIEVES.

City and county authorities of Paris and Bourbon county have been notified to keep a lookout for thieves who are alleged to have stolen a drove of sheep, cattle and hogs from Mt. Sterling parties, and were thought to have headed this way.

The police were notified of the theft of an automobile from a Nicholasville garage Saturday night. They were given the number and a description of the machine, and asked to keep a lookout for its probable appearance in this vicinity.

## MEMORIAL SERVICES AT PARIS CEMETERY SUNDAY AFTERNOON.

## TO DECREASE COUNTY TAXES.

The memory of the twenty-four Bourbon county boys who gave their lives for their country, whether on the battlefield or in the army camps, was further accentuated Sunday afternoon, when in the presence of a large crowd at the Paris Cemetery, the members of the Bourbon County Federation of Clubs rendered an appropriate program.

At 2:30 p. m. the returned soldiers and sailors from this county, in full uniform, gathered at the courthouse, and preceded by the Liberty Drum Corps marched to the Cemetery where they acted as a guard of honor. The sailor boys were under Ensign Harold Harris, while the soldiers were followed the lead of the Drum Corps and Grand Marshal Rudolph Davis.

At the Cemetery the exercises began at three o'clock with the invocation, delivered by Mrs. A. T. Forsyth. Miss Orr read Julia Ward Howe's stirring war poem, "The Battle Hymn of the Republic." The roll call was then read by Mrs. Allie Dickson, of North Middletown. Mrs. Fanniebelle Sutherland, president of the Federation of Clubs, delivered an eloquent and inspiring address, in keeping with the occasion. An original poem by Miss Bessie Evans, entitled, "Promoted," was read during the progress of the ceremonies. Mrs. Arthur Best, of Millersburg, pronounced the benediction.

A grove of twenty-four trees had been planted in the Cemetery by the ladies of the Federated Clubs, in honoring the memory of Bourbon county's soldier and sailor dead. At each of these stood at attention a soldier in full uniform, on guard, signifying the lasting obligation of the people to the memories of those who had gone the long route in the service of their country, and attesting the devotion of their comrades.

COUNTY SCHOOL TRUSTEES ASK  
ED TO GET CENSUS BLANKS

The blanks and pads necessary for taking the school census of Bourbon county have arrived and are now available at the office of County Superintendent of Schools J. B. Caywood, in the court house. Mr. Caywood asks THE NEWS to advise the trustees of the schools that it is necessary for them to come in and get these blanks and pads at once, as the census must be finished by the last of April. The blanks and pads will be found on a table, should Mr. Caywood not be in his office, and any officer in the court house will secure them for the callers. It is very important that this matter be given the personal attention of the trustees, and Mr. Caywood came to the conclusion that a sure way to reach them was to use the columns of THE NEWS.

AN OPPORTUNITY LONGED FOR.

The Wakefield-Davis Realty Company, of Shelbyville, Ky., are opening up in the thriving town of North Middletown what is known as the Bryan property. This company will sell absolutely regardless of rain or shine, on Tuesday, April 22, at ten o'clock a. m., this splendid property in several lots.

This company sells to the highest bidder, without reserve or by-bid. On the property will be found a splendid home constructed of stone, equipped with natural gas, and located, as is all this addition, right in the heart of the town, about three blocks from the college, two blocks from the church, and near some of the best stores to be found anywhere. And everybody knows when you speak of North Middletown you think of a pretty little town, located in the Bluegrass, where the people are noted for their culture, hospitality, sociability, and all that goes to make a home for man and a place to rear a family.

Attend this sale, hear the auctioneers, the brass band, get a chance on a lot to be given away that day. The Mothers' Club will serve dinner on the grounds.

PICTURE PROGRAMS AT THE ALAMO THEATRE.

On account of the vaudeville program to be presented at the Paris Grand Opera House all this week, there will be a picture program at the Alamo Theatre only. "The boards" at the Paris Grand will be occupied all the week, beginning with the performance last night, by the Ches Davis Musical Revue de Luxe, with Symphony Quartette and Beauty Chorus. See large display advertisement in this issue. The program at the Alamo will be as follows:

To-day, Tuesday, April 15—Bryant Washburn, in "The Way of a Man With a Maid;" Carol Holloway and Antonio Moreno, in "The Iron Test;" Pathé Comedy.

To-morrow, Wednesday, April 16—Marguerite Clark, in "Little Miss Hoover;" Paramount Pictograph Feature.

Thursday, April 17—Constance Talmadge, in "Romance and Arabella;" Arbuckle Comedy; International News Feature.

A communication was received Saturday by County Judge George Batterson from the State Board of Tax Commissioners, stating that, following the visit of the Bourbon county committee to Frankfort last week to protest against the proposed increase of the assessable value of Bourbon county property to the amount of \$8,000,000, a decrease in the proposed assessment had been agreed upon as follows:

Upon farm lands the total increase will be \$4,500,000 instead of the proposed \$5,100,000; upon the city lots the increase will be \$250,000, instead of \$900,000, as proposed. The matter will be placed before the Bourbon Fiscal Court at its coming session, by Judge Batterson.

A special to the Lexington Leader from Frankfort last night said:

"FRANKFORT, KY., April 14.—Bourbon county, which made a raise of one-tenth of one per cent. on real estate in its assessment, was increased approximately \$5,000,000 by the State Tax Commission.

"Under its assessment as returned the real estate tax was actually less than under the old law.

"What action Bourbon and Fayette will take in regard to the increases has not been disclosed. The State Tax Commission will have no official notice until the recapitulation sheet is returned for its approval."

## B-4 FIRE Insure with W.O. HINTON & SON, Agts

## FAYETTE MOTOR CO. VISITED BY \$10,000 FIRE.

Approximately \$10,000 damage was done by a fire of unknown origin which occurred in the building of the Fayette Motor Car Company, 263 East Main street, in Lexington, shortly after 4 o'clock Sunday morning. The loss was partially covered by insurance.

Automobiles stored in the garage sustained the heaviest loss, being damaged to the extent of almost \$8,000. The building itself was only slightly damaged. Fire Chief Jesse estimated the loss to be between \$1,500 and \$2,000.

## EDITORIAL MUSINGS.

"Conservation" a Queer Bird.

Americans have frequently been accused of being wasters. It has become apparent that the committee report of the National Chamber of Commerce, to which reference has already been made, speaks broad truths. In comparing water power with other natural resources, the report says: Conservation of every other natural resource means restriction in its own use, for use means consumption, and permanent destruction. Every pound of coal burned is forever withdrawn from use. On the other hand every horse-power not used is lost, and horse-power conserved and used saves not only the horse-power, but its equivalent in coal and may incidentally improve navigation."

Engineers of high standing have told Congress that the passage of a proper water-power development law would result in pioneer industrial activities in twenty-five States. Senator Jones made the statement that these hydroelectric developments in the West would have "an ultimate aggregate capacity of about 2,000,000 horse-power, requiring an investment of \$250,000,000." He further stated that the industrial plants erected to use this vast amount of power would give permanent employment to 500,000 operatives.

## It Might Have Been.

"She was a good wife to me. A good wife, God bless her." These words were spoken in trembling accents over a coffin lid.

The woman who lay there asleep had borne the heat and burden of life's long day, and no one had ever heard murmur; her hand was quick to reach out to help those who fell by the wayside; and her feet were swift on errands of mercy; the heart of the husband had trusted her; he had left her to long hours of solitude, while he amused himself in scenes in which she had no pleasure or part. Children had been born to them. She had reared them almost alone—they were gone! Her hand had ministered to their wants. Then she had comforted him, and sent him out strong and whole—hearted while she stayed at home and cried: What can a woman do but cry—and trust?

Well, she is at rest now. But she could not die until he had promised to "bear up," and not to fret, but to remember how happy they had been. They? Yes, it is even so. For she was blest in giving and he in receiving. It was an equal partnership after all.

"She was a good wife to me".

Oh, man! man! why not have told her so, when her ears were not dulled by death?

## Let's Walk.

Why don't we walk more?

Since the advent of the street car, the motor car and various other modes of locomotion, we seem to have forgotten what feet are for. The man or woman who rides to and from work on the crowded street car probably gets the idea that the pedal extremities were created for other persons to trample on, while the fortunate owner of a flivver imagines they are expressly designated to push the clutch lever and service brake.

Doubtless half of our population do not know how large and how shady are the woods a mile or two from town; how clear the water in the little stream.

When we hear the older inhabitants speak of walking 30 and 40 miles in a day, we gasp and wonder how they could do it.

This is a grand time of the year for a stroll in the country. It is neither hot nor too cold. And when

we get out and away from the town where old Dame Nature has a comparatively free hand, we see things that cause us to stop and ponder.

Grass that was dead a few weeks ago, is springing into new life. The trees that stood bare all winter long now are shooting out the buds or blossoms. It is the resurrection.

But walking does not benefit the intellect alone. It stimulates wonderfully the physical man. If you hear a fellow say, or if you say to yourself: "I do not need the exercise; I work six days a week and I need rest more than anything else," just try a walk some evening or on a Sunday morning before church, of eight or ten miles. Don't stoll—WALK. Throw back your shoulders, draw in the oxygen and move along, putting pep into every stride. And the next morning you will crawl stiffly out of bed and you'll realize that you are the possessor of a few dozen muscles you never knew existed. Muscles that had been loafing so long they had become flabby and tender. But if you have the nerve to repeat and let them harden up, you will turn up your nose at the fellow at the steering wheel and thank heaven you can look to the side of the road without danger of wrecking the car.

## JURY DISAGREES IN CASE OF BOURBON COUNTY MAN.

In the Fayette Circuit Court at Lexington, Friday, the jury in the case of Will G. Kiser, of Bourbon county, charged with killing Dillard Tabor, of Fayette county, near Russell Cave Springs, in that county, last October, came in after several hours' deliberation, with the report that they had hopelessly disagreed and that they could not make a verdict. Judge Kerr assigned the case for a retrial on next Thursday, April 17.

Kiser, who is a son of Wat Kiser, residing near Ewalt's Cross Roads, in this county, was arrested shortly after he had shot and killed Tabor following a quarrel while the two men were on their way to their homes in this county. Kiser entered a plea of not guilty, claiming that he had killed Tabor in self-defense. The defense by a number of witnesses attempted to prove that Tabor had attacked Kiser with a knife before Kiser drew a pistol and shot him to death. Commonwealth Attorney Maurey Kemper attempted to show that both men had been drinking heavily and asked that the jury return a verdict finding Kiser guilty of manslaughter.

## SUPT. GODMAN ENTERTAINS

Mr. Joseph Godman, Superintendent of the County Infirmary, was host recently at the Infirmary to members of the Bourbon Fiscal Court and other county officials. Practically everything on the menu was produced on the farm connected with the institution. The officials were enthusiastic in their praise of the efficient manner in which Mr. Godman looks after the comfort of the unfortunate placed in his charge.

## THEY DO IN KENTUCKY.

First cousins marry in Kentucky and live happily ever afterward was the answer given by Attorney General Charles Morris to an inquiry from Wisconsin. The inquiry as to whether the laws of this State prohibit the marriage of first cousins came from a young woman of Wisconsin who said the laws of her native State prohibit such a marriage.

She wants to marry her first cousin, a soldier who will soon be back from "over there."

## RESOLUTIONS IN MEMORY OF LOUIS MUSSINON.

Resolutions of condolence and sympathy for Mrs. L. Mussinon, wife of our deceased brother, L. Mussinon, were adopted by Rathbone Lodge, No. 12, K. of P., Thursday evening, April 12, 1919.

A copy of the resolutions follow:

"It appearing that God, in all wise discretion, has seen fit to call from our midst Brother L. Mussinon, and whereas, sorrow has descended upon the wife and home of our deceased brother, and realizing that mere inscription can in no wise alleviate the pain and suffering brought on by her loss, that mere words can in no way suffice for the irrevocable loss that has been sustained by his death, we can but show, in a mute and inexpressible manner, that, in the calling home of him, it was done for the best, and that he is far more happy there than here; so

"Weep not that his toils are over,  
Weep not that his race is run;  
God grant we may rest as calmly,  
When our work, like his, is done."

So, be it, Resolved, by Rathbone Lodge, No. 12, Knights of Pythias, their deepest and heart-felt sympathy that they extend to Mrs. Mussinon in this, her hour of sorrow; and we would have her to know and realize that, although this misfortune has befallen her, and that her heart is crushed under her loss, there is this thought that should sustain her.

"He is gone, but not forgotten,  
Nor shall he ever be;  
As long as life and memory last,  
We shall remember him;  
For all of us he did his best,  
May God grant him eternal rest."

But it is the desire of this committee, that a copy of the above resolutions be spread upon the Minute Book of our lodge; and that a copy thereof be sent to the bereaved wife of our departed brother, and the same be published in a county paper.

J. K. CAHAL, Chairman,  
L. WOOLSTINE,  
T. M. FUNK,

## RAINS DOING GOOD.

Recent rains will be of great benefit to farmers in this section. Grass, wheat and rye have been suffering from a lack of moisture. Seeds that have been sown, and timothy and clover will now come forward, while the soil, which had begun to harden will be easier for the plow and harrow. Farmers are pushing their work as fast as possible.

## APRIL 21 DESIGNATED AS ARBOR DAY.

Arbor Day in this State will be observed on Monday, April 21. Gov. Stanley will shortly issue a proclamation officially calling upon the people of the State to observe the day by planting trees. The schools of Paris and the county will celebrate the day with appropriate ceremonies.

## LEXINGTON RACES.

The racing season in Kentucky for 1919 will be inaugurated at Lexington, Thursday, April 24, and during the thirteen days of the meeting at the historic Kentucky Association track, now the property of the recently organized Kentucky Jockey Club, ninety-one races will be decided. Of these ninety-one races, six are staked and a number high-class overnight handicaps. One of the stakes, the Blue Grass, is for three-year-olds at one mile and an eighth, and is in the nature of a preliminary to the Kentucky Derby. It will be run on Saturday, May 3, the week before the Kentucky Derby, and to it the two great stars—Eternal and Billy—are eligible. It will afford the opportunity for the first meeting of these rivals as three year olds. Then there is the Camden Handicap, always a highly interesting race; the Ashland Oaks, for three year old fillies and the Idle Hour Stakes for two year old colts and geldings. The horses that will contest at Lexington this year are among the best in the land and the racing in prospect is of a higher order than heretofore, for under the new ownership, which is now entirely Kentuckian, the purses are to be larger than ever before. In a word it is to be the greatest racing year.

## BEN ALI HAGGIN IS DECLARED A BANKRUPT.

Kentucky residents in Washington and New York were interested in the announcement that Ben Ali Haggan, of New York, formerly of Lexington, Ky., has filed a petition in bankruptcy.

Haggan, who is an artist, is said to have inherited \$12,000,000 of the \$50,000,000 estate of his grandfather, James B. Haggan, of Lexington, a mine owner.

He married Miss Bonnie Glass, a Broadway dancer, after he was divorced from Mrs. Caith Robinson Haggan.

His close friends knew of his financial reverses, but none was aware that he was "all in" financially.

## COMMITTEE TO ORGANIZE STATE EDUCATIONAL CAMPAIGN.

The committee to organize the State for a great Statewide educational campaign this spring and summer was announced by V. O. Gilbert, Superintendent of Public Instruction, at Frankfort, Wednesday.

It comprises R. W. Kinkead, of Owingsville; President Frank L. McVey, of the University of Kentucky; W. J. Craig, of the Western Normal School; Jas. A. Payne, of Elizabethtown, and J. L. Graham, of Owensboro.

The committee will meet in Louisville, April 19, to formulate plans.

In the spring a young maid's heart lightly turns to a love of a bonnie.

## C. M. THOMAS ELECTED HEAD OF SADDLE HORSE ASSOCIATION

Memorial resolutions for the late Gen. John B. Castleman, founder of the American Saddle Horse Breeders' Association, were adopted at the annual election of officers held in Louisville, Friday, at which time Claude M. Thomas, of Paris, was elected president to succeed Gen. Castleman. Other officers elected were: Judge I. H. Thurman, Springfield, first vice president; John T. Collins, North Middletown, second vice president; Powhatan Wooldridge, Pewee Valley, treasurer; R. H. Lillard, Lawrenceburg, secretary, (re-elected.)

The Board of Directors are: C. M. Thomas, U. G. Saunders, Joseph Houchin, J. L. Gay, I. H. Thurman, H. M. Hobbs, W. G. Deriks, David Matlack, John L. Woodford, R. A. Long, L. O. Wells, John T. Woldridge, A. G. Jones and Sam D. Hinkele.

All the State vice-presidents were re-elected with the exception of W. C. Dierks, of Pittsburgh. J. P. Crozer, of Upland, Pa., received the place.

Mat S. Cohen, Commissioner of Agriculture, declared that the Kentucky State Fair has done more for the saddle horse than any other fair in the country.

The following resolution, introduced by John T. Collins, of North Middletown, was unanimously adopted:

Resolved, By the stockholders of the American Saddle Horse Breeders' Association that the secretary of this organization be and is hereby directed to notify each of the stockholders at least six months in advance of their next annual meeting that a motion will be made at said meeting to strike out rule two of the registration rules and to insert in lieu thereof the following:

"Rule 2. The female progeny of a registered saddle horse stallion and a mare by a registered saddle stallion."

The present rules require that the grand dam be registered.

## SUNDAY SCHOOL ATTENDANCE.

The Sunday schools of the city and county should bestir themselves from now on planning to make the coming Go-to-Sunday-School-Day the best Paris and Bourbon county has ever seen. This will probably be the first time any attempt has been made at reporting the attendance of the county Sunday schools.

How are we to know if the Sunday schools are alive and doing well if they do not report? Many county schools organize the first of April for the summer months. All should be in good running order by now.

After all is said the best and most successful way to get out a big attendance is by going after the folks with an urgent personal invitation. Get them there with an automobile if they cannot come otherwise. And after you have gotten them there plan to make your school so attractive, interesting and helpful that they will want to continue. When the schools have done this they will have fulfilled the spirit of the Go-to-Sunday-School movement.

And don't forget to telephone or mail to THE NEWS every Monday morning the total attendance at your Sunday school on Sunday. We want this news for the benefit of the public, or we would not insist upon having it.

## CENTRAL KENTUCKY PYTHIANS ORGANIZE NEW ORDER.

Pythians of Lexington, Paris and Central Kentucky met in the Castle Hall of Phantom Lodge No. 15, on East Main street, in Lexington, Wednesday night and organized the Ben Ali Temple of the Dramatic Order of the Knights of Khorassan, with a charter membership of 110. H. A. Schoberth, of Versailles, was elected Royal Vizier.

The officers elected and installed were four Grand Princes, M. George Moore, J. W. Carter, R. A. Young, all of Lexington, and Dr. M. H. McLean, of Wilmore; J. D. Boone, of Nicholasville, Grand Emin; J. B. Mulligan, Lexington, Sheik; W. L. Dawson, Lexington, Maledi; M. Geo. Moore, Secretary; W. S. Frost, Treasurer; S. M. Woolridge, of Versailles, Satrap, and J. Will Duncan, Sahib.

Past Imperial Prince Dan F. Summey, of Cincinnati, organized the temple and started the new officers on their duties. Grand Chancellor Aubrey Barbour, of Newport, was also present.

It's no wonder the tippler looks ahead with a glum countenance to the elimination of his cheering "smiles."

You never can tell. The success of many a man is due to the fact that he is a good guesser.

## SOCIAL AND PERSONAL.

## Comings and Goings of Our People Here, There and Elsewhere.

—Mr. and Mrs. John T. Collins have gone to Hot Springs, Arkansas, for a stay of several weeks.

—Mrs. Hughes Atkinson, of Mt. Sterling, is a guest of her mother, Mrs. William Tarr, near Paris.

—Mrs. Georgie Judy, of Carlisle, is spending several days in Paris, while taking treatment from Dr. Peter, osteopath.

—Mrs. Henry Fuhrman, who has been spending the winter in Wauchula, Fla., will return home to-morrow.

—Mrs. Jack Woods and little daughter, Miss Tootsie Woods, have returned from a visit to her daughter, Mrs. C. A. Hendryx, in Louisville.

—Mrs. Philip M. Heller is a guest of her son, Mr. Philip Heller, Jr., in Bellevue, Ky., and her daughters, Misses Stella and Frieda Heller, in New York.

—Miss Line Crowe, who is teaching at the Oddville School, spent the week-end in this city as a guest of her parents, Mr. and Mrs. Wm. A. Crowe, on Eighth street.

—Mr. Lawrence Price has returned from a visit to his sister, Mrs. C. A. Teller, and Mr. Teller, in Chicago. While in the Windy City he purchased a stock of goods for the Price store in this city.

—Miss Mabel Robbins, former County Superintendent of Schools, who has been engaged in war work in a clerical capacity in one of the Government bureaus at Washington, has returned to her home near Little Rock.

—Mrs. Wade H. Whitley, of Paris, and Mrs. Sanford M. Allen, of Millersburg, left Saturday for Washington, D. C., where they will attend the sessions of the National Convention of the Daughters of the Confederacy. They were joined en route at Philadelphia, by Miss Nancy Griffith, who has been in the City of Brotherly Love for some time as a guest of Mr. Frank O'Neill and family, former residents of this city.

—The home of Mr. and Mrs. Geo. W. Wilder, on Cypress street, in this city, was the scene recently of a happy gathering, when the eighty-first birthday of Mrs. Wilder's mother, Mrs. Mary Long, of Frankfort, was appropriately celebrated. A sumptuous dinner was served, which was partaken of by Mrs. Long's children, grandchildren and great-grandchildren, from Paris, Lexington, Frankfort and Stanford. Mrs. Long is a remarkably well-preserved woman, and a most entertaining conversationalist.

## TABLET TO MEMORY OF CONFEDERATE PRIEST-POET.

The unveiling of the tablet in memory of Father Abram J. Ryan, poet-priest of the Confederacy, which

was to have taken place at the convention of the United Daughters of the Confederacy held last week in Louisville, was postponed until May because of the failure to receive the tablet in time to have it mounted in St. Boniface church, where the tablet will be placed. The tablet is now on exhibition on the messanine floor of the Seelbach Hotel. It is made of solid bronze, three feet square and bears the head of Father Ryan and the inscription, "Father Abram J. Ryan, Poet-Priest of the Confederacy, March, 1886."

St. Boniface church was selected for the mounting of the tablet after much discussion on the part of the Daughters of the Confederacy and the Knights of Columbus, as Father Ryan died while visiting the monastery of St. Boniface in 1886. The tablet is a joint enterprise of the two organizations.

## A Golden Feather.

The feathers of the "golden pheasant" are a source of profit, being used in the manufacture of artificial flies for salmon fishing. These birds, natives of China, are the hardest of the pheasant tribe, and are not at all troublesome to rear in this country.

TOBACCO MEN EFFECT PERMA-  
NENT ORGANIZATION

The loose leaf warehousemen of  
Kentucky perfected a permanent or-  
ganization Saturday afternoon by  
re-election of the temporary officers  
elected March 28 and went on record  
as of the opinion that unless the to-  
bacco crop, both burley and dark, is  
materially curtailed this year, disas-  
ter will overtake tobacco growers.

The following Board of Directors  
was elected: Joseph B. Turner, Shel-  
byville; J. B. Bowling, Owensboro;  
O. M. Mather, Hodgenville; J. C. Sco-  
bee, Winchester; F. G. Wake, Madi-  
sonville, and Charles Jenkins, Bowl-  
ing Green.

Commissioner of Agriculture Cohen  
told the growers and warehousemen  
that the indications are for a crop  
about 25 per cent larger than in  
1918, when the largest crop on rec-  
ord was produced. He estimated  
that the new crop will cost about 23  
cents a pound to produce and will  
not bring more than 27 cents. He  
said there had been a drop of 14  
cents since March.

## RELIGIOUS.

Rev. Gilbert R. Combs, pastor of  
the Paris Methodist church, began a  
series of revival meetings in the Cyn-  
thiana Methodist church Monday  
night. Rev. W. F. Wyatt, pastor of  
one of the county churches, is con-  
ducting the singing. Two services  
will be held each day, at 2:30 p. m.  
and 7:30 p. m.

Palm Sunday was observed in  
the Catholic and Episcopal churches  
Sunday. Yesterday the devotions of  
Holy Week began and will continue  
through Holy Thursday, Good Friday  
and Holy Saturday, when the Lenten  
season of 1919 will be brought to a  
close. Special services and unusual  
missions have been held during the  
forty days of fast and penance. But  
few social affairs have been announced  
for the seven weeks.

At the meeting of the Christian  
Endeavor of the Presbyterian church  
Sunday night, the new officers for  
the next six months were installed.  
Mr. James Faulkner, a student of the  
Transylvania Bible College, gave a  
very appropriate talk to the new  
officers. He inspired them to hold  
up their end of the work and at the  
end of the year that their work may  
be as complete as Moses' was when  
God called him to die.

The following officers were  
elected:

## Presiding Officers.

Mrs. Griffith, President.  
Mr. Leslie O'Neill, Treasurer.  
Mr. James McClinton, Secretary.

## Committees:

Prayer Meeting and Missionary—  
Mrs. Sam Willis, Chairman; Miss  
Ranson, Miss Iva McCarney, Mrs.

Chairman; Miss Eleanor Lytle, Mrs.  
Wilcox, Mr. Vernon Stamper, Mrs.  
Merringer, Mrs. Trisler, Mrs. J. S.  
Wilson, Mrs. Duncan Bell, Mr. John  
Dundon.

Press—Miss Virginia Dundon,  
Chairman; Miss Lula Champ Lytle,  
Miss Faville Dundon.

Music—Mr. Z. L. Wilcox, Chair-  
man; Miss Nell Crutcher, Miss Zuma  
Stone, Miss Adah Wilcox, Miss Fern  
Stone, Miss Josephine Fithian, Miss  
Nancy B. Wilson.

Information—Miss Nell Fithian,  
Chairman; Mrs. Harry B. Clay, Mr.  
Owen Davis.

The chairman will please get their  
committees together this week and  
plan out their work. Lets have a  
good meeting next week and plan out  
their work. Lets have a good meet-  
ing next Sunday. Don't forget the  
church attendance contest that is go-  
ing on. Come and bring somebody  
else with you. Returned soldiers and  
sailors are especially invited to come.

## SCHOOLS CONSOLIDATED

The public schools of Millersburg, McIlvaine, Purdy, Tarr and Letton, comprising a total of about five hundred pupils, have been consolidated, in compliance with an order entered by the County Board of Education at a recent meeting.

A new consolidated school building will be erected at Millersburg, the cost of construction to be met by the taxpayers of the consolidated district. An election will shortly be called to take a vote on the matter. In event the plan goes through the trustees of the new school will provide motor transportation for the pupils to and from their homes.

## NAVY BAND SURE TO BE HERE SATURDAY AND SUNDAY.

All doubt as to the appearance in Paris of the Navy Band which is on tour through Kentucky in connection with the Victory Liberty Loan was dissipated yesterday when Coroner Rudolph Davis informed THE NEWS that he had completed arrangements for the band's appearance here.

The Navy Band will come to Paris for two concerts, one on Sunday afternoon at 2:00 o'clock, and the other at 8:00 o'clock Sunday night. Both performances will be given at the Paris Grand Opera House, in connection with the showing of the great motion picture, "The Price of Peace."

Mr. Davis was in Lexington yesterday, where the Navy Band played an engagement and made the necessary arrangements for guaranteeing the appearance of the band in Paris. The program will be one of an interesting character, and the appearance of the Navy Band here will be an event for our people.

The band will reach Paris, Saturday night, and will give a parade on Main street, from Tenth to the Court House and return. They will be guests of the city during their stay here.

## TEACHERS' PAY DAY.

Teachers of the county schools received checks Saturday for their pay. County Superintendent of Schools J. B. Caywood was in his office for that purpose most of the day. A large amount was distributed to the teachers.

# PERUNA

THE BEST MEDICINE  
FOR COUGHS AND COLDS

## I Ever Saw

Miss Ivy Gray, Fairview,  
Kentucky, writes:

"I have taken Peruna and would say that it is the best medicine for coughs and colds I ever saw. I find that it always cures a cold in a short while. It also strengthens and builds up the system."

### EQUINOCTIAL STORM DOES DAMAGE IN TEXAS.

DALLAS, Tex., April 14.—The worst equinoctial storm for many years swept over North Texas and Southern Oklahoma Tuesday night, leaving in its wake sixty-seven deaths, hundreds of injured persons and property damage will amount to many thousands of dollars, according to incomplete reports received here.

Twenty-eight of the known dead were white persons.

The storm came up from the Rio Grande Valley with a high wind and heavy rain, gaining force until it tore through the northern tier of Texas counties with the destructiveness of a tornado.

Reports received here show fatalities from the following towns:

Denison Tex., 4; Durant, Okla., 6; Wood County, Tex., 4; Ector, Tex., 3; Ravenna, Tex., 8; Mineola, Tex., 11; Tundra, Tex., 8; Winsboro, Tex., 16; San Angelo, Tex., 1; Texarkana, Tex., 1; Newsome, Tex., 6.

The course of the storm was erratic. At times it leaped a mile or more, skipping one farmhouse un-

harmed, only to demolish the next one. No cities of any size were in its path. Most of those killed were caught under their falling homes and buried. The heavy rainfall at once extinguished the numerous fires that started when houses were overturned.

#### THE LAY OF THE HEN.

An egg a day the old hen lays, with which the housewife blithely pays for books and clothes and children's shoes and Grange and Farmers Union dues. The old hen pays the rooster's board, she buys the gas to burn the Ford; she even buys the old man's cud, and still he meets her with a thud, if in the feed box she should stray, or roost upon his new mown hay. She buys the soap to clean the kids, the sugar and the family lids. She's up the first one in the morning, she's out and hustling in the corn before the old man chuckles his snores to call the boys to do the chores. She's always happy at her work; no one can say that she's a shirk. She doesn't belong to any club, believes in paying for her grub. She does not work and doesn't care how others comb or curl their hair. She lives to serve and serves to live, gets all she can, is free to give of what the good Lord gives her. A message from the hen to you is that there are but very few so thoughtless for their own reward, and few who sing and work so hard to make this old world a fit place to live in for the human race.

#### IF I WERE A FARMER.

If I were a farmer I would keep at hand few reliable medicines for minor ailments that are not so serious as to require the attention of a physician, such as Chamberlain's Colic and Diarrhoea Remedy for bowel complaints.

Chamberlain's Liniment for sprains and bruises and rheumatic pains.

Chamberlain's Tablets for stomach troubles, biliousness and constipation.

By having these articles at hand it would often save the trouble of a trip to town in the busiest season or in the night, and would enable me to treat slight ailments as soon as they appear, and thereby avoid the more serious diseases that so often follow.

**WASHINGTON LOOKED AHEAD**

When Washington was president of the United States, farming was not at all scientific. In fact farming could be made profitable simply because there was limitless acres of virgin soil to be cleared and broken for crops.

That he saw far into the future and was anxious to have the government take a hand in solving the farmer's many problems is shown in his last annual message to Congress. In that memorable paper he suggested a department or board of agriculture which might "by premiums and small pecuniary aids to encourage and assist a spirit of discovery and improvement."

#### WHOOPING COUGH.

Give Chamberlain's Cough Remedy to keep the cough cease and expectation easy. It is excellent.

### COHEN REPORTS ON WHEAT, TOBACCO AND BARLEY

FRANKFORT, KY., April 14.—In his first crop report for 1919, Commissioner of Agriculture Cohen says that a large increase in acreage of Burley tobacco is indicated. It is estimated at 113 per cent, as compared with acreage of 99 per cent, given at this time last year. The condition of the beds is estimated at 94 per cent. Dark tobacco acreage shows 106 per cent, as compared with 90 per cent, last year, and the condition of beds show at 97 per cent.

The wheat acreage as originally sown is 108 per cent, as compared with 99 per cent showing at this time last year. The condition is given at 102 per cent. The acreage of rye originally sown is 90 per cent, which shows 5 per cent. decrease from last year's acreage, and the condition shows at 96 per cent.

The barley acreage originally sown is 85 per cent, with the condition of 94 per cent. The acreage of oats planted is 88 per cent last year. The soil condition is 93 per cent.

#### SIGNS OF DISTRESS

Paris People Should Know How to Read and Heed Them.

Disordered kidneys give many signals of distress.

The secretions may be dark, contain sediment.

Passages are sometimes frequent, scanty, painful.

Backache is often present day and night.

Headaches and dizzy spells may occur.

Weakened kidneys should receive quick help.

Don't delay! Use a special kidney remedy.

Doan's Kidney Pills are for weak kidneys, backache and urinary disorders.

Paris evidence proves their worth.

Chas Stewart, tinsmith, Lilleston avenue, says: "I have had three or four attacks of lumbago in the past few years, the first being the worst. There was a constant, dull ache in my back all the time and often sharp. It sometimes seemed as though I could hardly endure the misery. I tried different remedies with no results. I heard of Doan's Kidney Pills and procured them from the Ardery Drug Co. The first box helped me and I continued taking them until cured. Attacks since then have always been slight. Doan's Kidney Pills have never failed to relieve me."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Stewart had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. (adv)

### THE MONTGOMERY COUNTY FAIR GETTING GOOD AND READY

The Montgomery County Fair Association is preparing its racing program for the fair in July. The Montgomery Derby at a distance of 1 1/8 miles will be the feature running race and there will be two thoroughbred contests each day.

The Association has offered five stakes for trotters and pacers, including a 2-year-old race, a 3-year-old race, a 2:19 trotting race, 2:16 and 2:25 pacing races, all for \$500 each.

The Association will have an aviator this year as well as one of the biggest carnival companies on the road, which will be an attraction.

### For Influenza!

For influenza and after effects, use K. U. Tablets. They build up your nerves and stomach; rid the system of all aches, pains and tired feelings. They restore vigor and vim. They are fine for headaches and rheumatism. The contents of K. U. Tablets are used by all of the best physicians of the country.

Don't be without them in your home. Once tried they are always used. They are put up in 10c and 25c boxes and are for sale by all druggists and groceries.

### COMMISSIONER COHEN ISSUES FIRST MONTHLY CROP REPORT

Commissioner of Agriculture Mat S. Cohen has issued his first monthly crop report for 1919, as follows:

"Crop prospects for 1919 in Kentucky are especially bright. Soil conditions are good, more land will be in cultivation than last year, land values are advancing and the farm help supply is increasing. The latter, however, has not reached normal."

"Reports coming to this department give the wheat acreage originally sown at 108 per cent, as compared with 99 per cent, showing at this time last year, while condition is given at 102 per cent.

"Acreage of rye originally sown is 90 per cent, which shows 5 per cent. decrease from last year's acreage, while the condition shows at 96 per cent.

"Barley acreage originally sown is 85 per cent, while the condition is 94 per cent.

"The acreage of oats planted is 88 per cent, as compared with 83 per cent. last year. Soil condition is given at 93 per cent.

"A large increase in acreage of Burley tobacco is indicated, the same being estimated at 113 per cent, as compared with the acreage of 99 per cent. given at this time last year.

### LOOK AT A CHILD'S TONGUE WHEN CROSS, FEVERISH AND SICK

Take No Chances! Move Poisons From Liver and Bowels at Once.

Mothers can rest easy after giving "California Syrup of Figs," because in a few hours all the clogged-up waste, sour bile and fermenting food gently moves out of the bowels, and you have a well, playful child again. Children simply will not take the time from play to empty their bowels, and they become tightly packed liver gets sluggish and stomach disordered.

When cross, feverish, restless, see if tongue is coated, then give this delicious "fruit laxative." Children love it, and it can not cause injury. No difference what ails your little one—if full of cold, or a sore throat, diarrhoea, stomach-ache, bad breath, remember, a gentle "inside cleanser" should always be the first treatment given. Full directions for babies, children of all ages and grown-ups are printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a bottle of "California Syrup of Figs," then look carefully and see that it is made by the "California Fig Syrup Company." We make no smaller size. Hand back with contempt any other fig syrup. (adv)

### TO THE FARMERS AND HOUSEKEEPERS—BUILD MARTIN BOXES.

Doubtless every one knows the value of the purple martin, which usually makes its appearance in Kentucky from April 1 to the 15, and which is one of the greatest insect destroyers of the bird species. And since farmers of Kentucky lose thousands of dollars annually through the medium of the insect and since it is most imperative that the blue martin be encouraged to the fullest extent to come and remain with us, I feel that in justice to the hungry, starving millions, that every housekeeper and every farmer in Kentucky should at once erect poles and place upon same a simple and substantial martin box as a home for these most valuable birds.

It will only necessitate a little time and expenditure of a very small amount of funds and will result in a saving of almost an unlimited amount of foods and seeds.

Therefore, please do not put it off, or "let George do it," but begin today the erection of homes for these busy, useful and badly needed little birds.

MAT S. COHEN,  
Commissioner of Agriculture.

### GIRLS! THICKEN AND BEAUTIFY YOUR HAIR AND STOP DANDRUFF

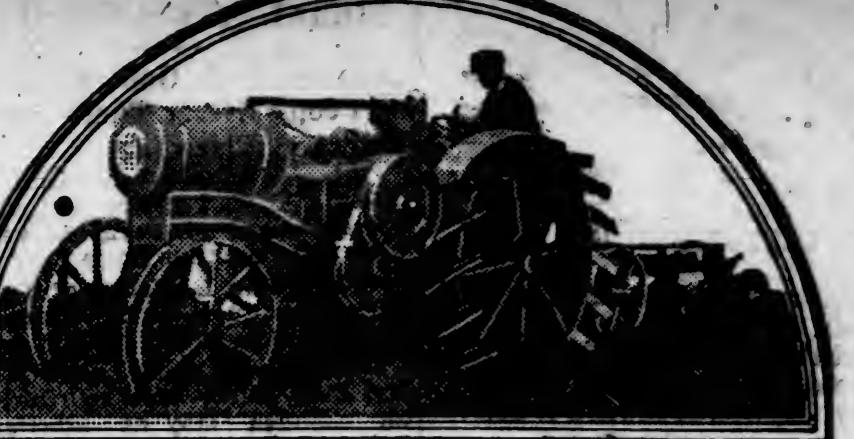

Try This! Your Hair Gets Wavy, Glossy and Abundant At Once.

To be possessed of a head of heavy, beautiful hair; soft, lustrous, fluffy, wavy and free from dandruff is merely a matter of using a little Dandrine.

It is easy and inexpensive to have nice, soft hair and lots of it. Just get a small bottle of Knowton's Dandrine now for a few cents—all drug stores recommend it—apply a little as directed and within ten minutes there will be an appearance of abundance, freshness, fluffiness and an incomparable gloss and lustre and try as you will you cannot find a trace of dandruff or falling hair; but your real surprise will be after about two weeks' use, when you will see new hair—fine and downy at first—yes—but really new hair—sprouting out all over your scalp. Dandrine is, we believe, the only sure hair grower, destroyer of dandruff and cure for itch scalp and it never fails to stop falling hair at once.

If you want to prove how pretty and soft your hair really is, moisten a cloth with a little Dandrine and carefully draw it through your hair—taking one small strand at a time. Your hair will be soft, glossy and beautiful in just a few moments—a delightful surprise awaits everyone who tries this.

## Here's the big work, little cost tractor—the Titan

THE Titan 10-20 has been on the market for years, and has made good without reservation. 10 horsepower at the draw bar—20 horsepower at the belt.

A well-balanced tractor that is suited to all farm power work. It drives easily, affords maximum pulling power for its weight, and is suited in every way to the general run of farm work. Not too large for the small farm, yet large enough to handle a great volume of work.

### Use it with an Oliver Plow—

We recommend that you use an Oliver plow with your Titan tractor because it means the best plowing under all conditions. The combined rolling coulter and joister buries all trash and weeds at the bottom of the furrow; the stop device maintains an even depth of furrow; the plow points enter and leave the ground first, making it possible to plow clear to the ends of the field; and the trip rope control operates easily from the driver's seat on the tractor.

We have a full line of Oliver plows as well as the Titan tractor here at our salesroom.

## THINGS TO WORRY ABOUT

Williams Jennings Bryan is advertised to speak at Lexington in a few days. There was a time when such an announcement would make Lexington the place of attraction for hundred miles around. Now the few who will hear him will do so more out of curiosity to see how the mighty has fallen, than because of any interest in what he will have to say.

## BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work.

People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system. They do that which dangerous calomel does without any of the bad after effects.

All the benefits of nasty, sickening, gripping cathartics are derived from Dr. Edwards' Olive Tablets without gripping, pain or any disagreeable effects.

Dr. F. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowel and liver complaint, with the attendant bad breath.

Dr. Edwards' Olive Tablets are purely a vegetable compound mixed with olive oil; you will know them by their olive color. Take one or two every night for a week and note the effect. 10c and 25c per box. All druggists.

## WHAT THEY PUT UP.

Comparisons never become more odious than when we stay-at-homes endeavor to stack up our performances against what the boys in khaki did over yonder along the French front.

Than when we try to measure the dollars we lent against the lives they lost; the wounds they received; the hardships they suffered.

Than when our contribution is set up against what they put in.

For every one of them put his life in jeopardy from the moment he took the oath to serve his country.

Some 70,000 of them paid the extreme price. Never came back.

Some 200,000 others were wounded in greater or less degree. Some of them will be physical wrecks the rest of their lives. Many of them will have to learn all over again the task of self-support. Thousands will be years in getting back to a normal physical condition.

Not one of them but put in all he had when he went overseas. Not one of them but took his life in his hand when he embarked.

And not one of you stay-at-homes but would give everything of value you possess on this earth for your life.

These boys in khaki had no such chance.

Uncle Sam asked their lives if need be. And they put themselves in his hands. Life or limb or liberty, it mattered not. There was no limit.

Don't make the mistake of trying to compare your sacrifices with theirs.

Don't try to put off the Victory Liberty Loan salesman, when he comes around, with the claim that you have done all you can; that you have gone the limit.

You haven't. And no one knows it better than you.

And if you give your conscience a chance you will do better this time than you have in any of the preceding loans.

For Uncle Sam needs the money. His honor is at stake. And yours.

You can rescue both by putting in every dollar you can scrape up.

Even then you will not be out debt.

## FOR BILLIOUS TROUBLES

To promote a healthy action of the liver and correct the disorders caused by biliousness, Chamberlain's Tablets are excellent. Try them and see how quickly they give you a relish for your food and banish that dull and stupid feeling.

## FIND COUNTERFEITER'S DEN IN A PENITENTIARY.

A counterfeiter's den in full operation has been discovered within the walls of the Eastern penitentiary, at Philadelphia, Pa.

Three convicts were doing the work in their cell at night. They had been operating only three days, however, before the deputy warden discovered the plot. The case was immediately turned over to the United States secret service men who found eighteen one dollar bills and one two dollar note in the process of becoming "fives" and "tens."

Three of these bills had actually been completed, but the enameling which was used to raise the figures and change the letters was hardly dry.

Steel prices are lowered, but the price of stealing should be higher.

## BOLSHEVISTS.

What does Bolshevism mean? That's the question one hears everywhere. Government officials, from President Wilson and Vice President Marshall down, have insisted that it must be stamped out of America. That this is an idle threat is evidenced by the actual work of deportation of undesirable aliens. Commissioner of Immigration Caminetti says that 6,000 of these are to be shipped back to Europe at once. It appears likely, from official information, that this will be but the beginning of a clean-up in the interest of America for Americans.

But what does Bolshevism mean? Why is it so bitterly attacked and so little explained? And when the explanation is finally made, it is the Russian Bolshevik theory that is handed out to us by red-eyed agitators of the anarchist type, who being unable to furnish sensible opinions about the American form of government, are never relied upon by intelligent people as authorities on the affairs of countries as far removed as Russia.

Bolshevism, generally speaking, is an European evil, that represents discontent, and is a factor that breeds wars. We will not attempt to analyze European Bolshevism here. But there is an easy answer to the question: What is Bolshevism in America, and the people of this country should hasten to acquaint themselves as to the meaning of this strange doctrine.

Senator Nelson, of Minnesota, has done a good service by inserting in the Congressional Record the aims of Bolsheviks in the United States as proclaimed by their leaders in this country. The statements should be made into an official document and circulated everywhere. The publication from which the material is collected, is called "Hunger—The International Revolution." This publication purports to stand for a lot of things that no intelligent person wants, and it promises that "the shams of the present system may be presented and subjected to analysis." It is printed in Minneapolis, a city in which there is no "hunger," but almost every paragraph glares with the lie that all people who work are "hungry" and oppressed by the capitalistic class.

American Bolshevism is an insidious and rabid form of class hatred; it is anarchism under a new name that seeks respectability by attaching itself to European "isms." It is Socialism with the brains picked out. It is not much difference from the I. W. W.—only if such a thing be possible, it has less sense. It is a thing that should be understood thoroughly in the United States, because it needs only to be understood to become an outlaw among intelligent and respectable people of every class.

The documents which Senator Nelson has produced weave together the most unchristianlike, debased theories, that could be collected. The whole underlying purpose is to create clamor and build up class hatred. Government is nothing, except to be destroyed. Not even a substitute is offered. The whole doctrine is untrue to anything that can be classed as modern civilization. It is very doubtful whether Bolshevism in the United States is up to the standards of Russia, or Germany. It is Europeanism in the days of the French Revolution. This Bolshevism is nothing that need be feared in the United States. It needs to be understood. The light would destroy it. The people may be trusted to see that it is properly taken care of.

## DEATHS.

## BERTLESON.

—Mr. Arthur Bertleson, formerly connected with the Cumberland Telephone Co., in this city, as head cableman, met death near Shelbyville, Friday, when he came in contact with a live wire, while doing some work on a cable line. An electric light wire crossed with a telephone wire caused his death.

During his residence in Paris, Mr. Bertleson resided at the Fordham Hotel. He was a man of pleasing address, as expert in his line, and highly-esteemed by the company. He was a native of Franklin county.

## POSEY—FRAZIER.

—Mr. Miller Frazier, formerly of Versailles, and well-known in Paris social circles, was married in Philadelphia recently to Mrs. Mary Elizabeth Posey, a wealthy young widow. A copy of a Philadelphia paper sent THE NEWS the following:

"Nobles of The Oleika Temple." —Perambulate right up to your calendar now, this instant, and mark Friday, May 30, 1919, in unmistakable characters. It means big doings in Oleika. Our Potentate says things will go with a heave and a ho. Ceremonial, banquet, etc. Focus your binoculars on the mail man and watch and wait for your regular notice."

## OIL NOTES.

Information concerning the No. 3 well of the Bourbon Oil and Development Company, located on the southern end of the Millie Freeman lease in the Rose Creek section, has been received to the effect that the well was brought in all right in due time. It is reported that this well is a producer, but the exact number of barrels had not been reported.

A consolidation of two local concerns was effected Saturday night when the newly-organized Parboken Oil Company and the Paris Oil and Gas Company were merged into one. The company has a capital stock of \$1,000,000.

The consolidated company will operate in Paris and vicinity under the name of the Parboken Oil Company.

DON'T WAIT—BUY NOW—TOBACCO STICKS.

Buy tobacco sticks now and you will get better quality and just as low, or lower, prices than you will get later. At this season of the year we buy only from mills making extra good quality sticks; later when the rush comes we have to take what we can get. Anticipate your needs, haul them now and get them sharpened on rainy days and at other times when your men have a few hours between jobs. Our stock is excellent quality and practically 100 per cent. good.

It don't pay to put off doing anything. The man who succeeds is the live wire always ahead with his work. Anticipate your needs now and make your contracts. Materials have already advanced some and the indications are that they will go higher.

We deliver anywhere at reasonable prices.

## REAL ESTATE NOTES.

Mr. T. T. Templin purchased recently through the Walter Clark Real Estate Agency, of Paris, two cottages located in Henry Addition, belonging to Mr. V. K. Shipp, of Oklahoma City, a former resident of Paris. Mr. Templin paid \$1,750 for the property.

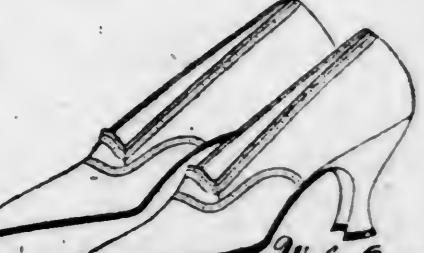

The Davis & Wakefield Co., of Shelbyville, who recently purchased fourteen acres of land in North Middlebury, a part of the Bryan estate, have had a survey made and are making preparations to lay off a new addition to North Middlebury. The lots will be placed on the market at an early date.
